

Aldine Independent School District
Student Lunch Charge Policy
2017-2018

The following charge policy is in effect for all schools.

Students will be allowed to charge meals until a meal application is approved or meal charges are paid. Any offered/reimbursable menu choice will be available for all students.

Methods to inform students and parents of debt owed and need for money include:

- Child Nutrition cashier informing student.
- District computerized communication system informing parent by phone or email.
- Online meal account system available for parent to view and pay meal debt.

Charge Policy will be provided in writing to all households at the start of the school year and to the households of any transfer student at the time of transfer.

The following district staff will be provided with a copy of the Charge Policy as well.

- District administration
- School nurses
- School Social Workers
- Homeless Liaison
